### INDIA

Anthelio, the leading independent provider of comprehensive healthcare information technology (IT) services and business process solutions for hospitals and other healthcare providers, today announced that it has received a NASSCOM NExT Practices Award for Promoting Innovation & Entrepreneurship. The Company accepted the award at the NASSCOM HR Summit 2011 in Chennai.

The NASSCOM NExT Practices Awards were created in partnership with Mercer, to recognize best practices implemented by IT-BPO companies for employee recruitment/retention, skill advancement, attrition management, employee engagement, global integration and leadership/career development. Anthelio was selected for its effort in creating a culture of innovation and entrepreneurship in the organization.

"We are delighted to receive the NASSCOM Award for our efforts in recruiting, retaining and developing such a highly talented workforce, said Harjeet Khanduja, Head of Human Resources India, Anthelio Healthcare Solutions. As we continue to aggressively build out our workforce in India for our U.S. healthcare Business, we always look for innovative ways to equip our employees with the tools they need to work more collaboratively and continue building their skill set. NASSCOM recognition validates our ongoing efforts to create a work environment where our employees have significant opportunities for professional development and advancement.

### About Anthelio

Anthelio is the largest independent provider of information technology and business process services to hospitals, physician practice groups and other healthcare providers. Anthelio is the only healthcare services company that has end-to-end services expertise, including admission/registration, IT, medical records, EMR implementations, clinical transformation, coding, ICD-10, transcription and revenue cycle services. Using its extensive healthcare provider clinical and operational expertise, technology and business process re-engineering, Anthelio helps healthcare providers bend their ever-escalating cost curve and improve their delivery of patient care, quality and operational efficiency. Anthelio is headquartered in Dallas, Texas, and has over 2,000 employees in offices throughout the U.S. and in India. For additional information, visit <http://www.antheliohealth.com>
